

Auditing Commission's Opinion
with respect to the integrity of information
contained in the 2013 Annual Report
of Mechel OAO

Moscow

5 May 2014

As required by the Russian Joint Stock Companies law N208-FZ dated 26.12.95 and the Charter of Mechel OAO (the "Company"), the Auditing Commission composed of current members acting under the resolution of the Annual General Meeting of Mechel OAO dated 28.06.2013 has examined the Company's 2013 Annual Report.

The main objective is to verify the integrity of information contained in the Company's Annual Report.

Following the examination, no material violations and/or other circumstances have been identified that could affect the integrity of information contained in the Company's 2013 Annual Report.

According to the Auditing Commission, there are sufficient grounds to confirm the integrity of information contained in the Company's 2013 Annual Report.
