

**Brief description of the most significant  
aspects of the model and practice of corporate governance**

<b>No.</b>	<b>Principle (principles) of corporate governance or a key criterion (recommendation)</b>	<b>Explanation of key reasons, factors and circumstances causing failure to comply or partial compliance with the principle or a key criteria, description of used alternative mechanisms and tools for corporate governance</b>	<b>Brief description or the part where the principle or a key criterion is not complied with</b>
1	2	3	4
<b>I. Shareholders' rights and equal conditions for shareholders to exercise their rights</b>			
1.1.	The Company shall ensure equal and fair treatment of all shareholders as regards their implementation of the right to participate in the company management. The system and practice of corporate governance shall ensure equal conditions for all shareholders owning shares of similar category (type), including minority (minor) shareholders and foreign shareholders and their equal treatment by the company		
1.1.1.	<p>The company has approved the internal document determining main procedures for preparing, convening and holding the General Shareholders' Meeting, complying with the recommendations of the Corporate Governance Code, including the company's obligation to:</p> <ul style="list-style-type: none"> <li>inform shareholders on the General Shareholders' Meeting and provide access to materials, including publication of the notification and materials on the company web-site no less than 30 days before its holding (unless a longer term provided for in the laws of the Russian Federation;</li> <li>disclose the information on the date of compiling the list of persons entitled to participate in the General Shareholders' Meeting no less than 7 days before this date;</li> <li>provide the additional information and materials regarding the agenda for the General Shareholders' Meeting in accordance with the recommendations of the Corporate Governance Code</li> </ul>	<p>The company has approved the Regulation on the General Shareholders' Meeting (Minutes No.1 of the Annual General Shareholders' Meeting dated 30.06.2014) determining the main procedures for preparing, convening and holding the General Shareholders' Meeting, including:</p> <ul style="list-style-type: none"> <li>- The notification of the General Shareholders' Meeting shall be issued at least 30 days in advance (<i>Article 20 of the Regulation</i>) - The information (materials) is (are) available for familiarization within 20 days, and if the General Shareholders' Meeting with the agenda including the issue on the Company reorganization, is to be held, they shall be available within 30 days before holding the General Shareholders' Meeting (<i>Article 23 of the Regulation</i>) The information (materials) is (are) as well available for familiarization on the Company web site: <a href="http://mechel.com">http://mechel.com</a></li> </ul>	<p>The principles of corporate governance set forth in cl. 1.1.1 are actually complied with by the Company.</p> <p>However, some of them are not enshrined in the Company's internal regulations. In particular, the Regulation on the General Shareholders' meeting does not set forth the following provisions:</p> <p>"The meeting notification and materials shall be published on the Company web site. The Company shall disclose the information on the date of compiling the list of persons entitled to participate in the General Shareholders' Meeting no less than 7 days before this date. The additional information and materials on the agenda shall be provided to the shareholders».</p>

		<p>The meeting notification and materials shall be published on the Company web site.</p> <p>The Company shall disclose the information on the date of compiling the list of persons entitled to participate in the General Shareholders' Meeting no less than 7 days before this date.</p> <p>The additional information and materials on the agenda shall be provided to the shareholders.</p>	
1.1.2.	<p>The Company assumed the obligations to allow the shareholders to ask questions regarding the company activities to the members of the management and control bodies, members of the audit committee, chief accountant, company auditors, as well as candidates for management and control bodies during preparation and when holding the General Shareholders' Meeting. The foregoing obligations are enshrined in the Articles of Association or internal documents of the company</p>	<p>The Company shareholders have opportunities to ask questions regarding the company activities to the members of the management and control bodies, members of the audit committee, chief accountant, company auditors, as well as candidates for management and control bodies during preparation and when holding the General Shareholders' Meeting.</p> <p>During the meeting, it is possible to ask questions personally or through the General Director. The Company makes every effort to ensure that the members of the Board of Directors, sole executive body, members of the audit committee and other bodies of the Company attend the General Shareholders' Meeting. They are obliged to answer the questions of the meeting participants in a qualified manner. <i>(This obligation is enshrined in cl.2. of Article 24 of the Regulation on the General Meeting)</i></p> <p>When preparing for the meeting, it is possible to ask questions by mails, electronic messages, phone. The Company web-site provides for feedback for shareholders for them to ask questions - press-center of Mechel OAO <a href="http://www.mechel.ru/press/">http://www.mechel.ru/press/</a></p>	<p>The principles of corporate governance set forth in cl. 1.1.2 <u>are actually complied with by the Company and enshrined in the Company's internal documents, except for</u> the possibility to ask questions not only directly at the meeting but in the course of preparation for it.</p>
1.1.3.	<p>The Company assumed the obligations to abide by the principle of zero tolerance to actions resulting in artificial re-allocation of corporate control (for</p>	<p>Notwithstanding the fact that the principles specified are not set forth in the Company internal documents the Company proceeds</p>	<p>The principles of corporate governance set forth in cl. 1.1.3 are actually complied with by the Company. However, the foregoing obligations are</p>

	example, voting with quasi-treasury shares, adoption of the resolution to pay dividends on preferred shares in the conditions of restricted financial capabilities, adoption of the resolution not to pay the dividends on preferred shares, set forth in the company Articles of Association, with sufficient sources for their payment). The foregoing obligations are enshrined in the Articles of Association or internal documents of the company	from the fact that it is not admissible to vote quasi-treasury shares at the Company General Shareholders' meeting.	enshrined in the Articles of Association or internal documents of the company.
1.1.4.	Other key, in the Company's opinion, criteria (recommendations) of the Corporate Governance Code pertaining to the foregoing principle (principles) of corporate governance	-	-
1.2	The shareholders shall be provided with an equal and fair opportunity to participate in the company revenue by receiving dividends		
1.2.1.	The Company has approved the internal document determining the company's dividend policy complying with the recommendations of the Corporate Governance Code and setting forth, without limitation, the following: procedure for determining the part of net profit (for the companies compiling consolidated financial statements - a minimum part (share) of consolidated net profit) allocated for dividends payment, the conditions, when complied with, the dividends are declared; minimum amount of dividends on the company shares of various categories (types); the obligation to disclose the document determining the company's dividend policy on the Company's web site	The Company does not have an internal document determining the Company's dividend policy.
